# About US - Lumo Toys

## Who are we?

Leading the toy distribution industry for the last 18 years across various cities in India, Luminoso International Private Ltd has changed the market standards and quality of toy products immensely.

Started as a small proprietorship firm in the year 2003, our company dedicated itself towards the distribution of unwavering quality toys for kids of different age groups. This dedication helped us soon to turn into a corporation within a short span of 8 years.

With a dedicated team, we are currently distributing to more than 600 wholesalers and the only reason behind our consistent success story is our constant strive towards supplying the highest quality toys that will definitely add value to the growth of the child as well.

With high recommendations and satisfactory reviews on various e-commerce websites, we have also started manufacturing toys since 2019 taking our first step towards the higher notion of Make in India. Affiliated by the Bureau of Indian Standards, we manufacture safe and high-quality toys at our state of art manufacturing centers meeting all the regulatory standards adhered to by countries all around the world.

## Something About Us?

At Luminoso International Private Limited, we endeavor to offer a fun-loving yet learning experience for children of different age groups through our toys, thus striving towards a wholesome growth of the child's personality since they are the future of any nation.

### | Vision

To inspire imagination and joy in every child, one toy at a time.

### | Mission

To design, manufacture, and deliver safe, innovative, and affordable toys that spark creativity and laughter across the globe.

## Free Resources

With great experience in toy distribution, we have inputs from the best consultants in the industry for quality resources to manufacture high-quality toys.

## Multi-Purpose

Our products give a wholesome experience to both parents and children as they devices both a fun as well as a learning experience. Our toys instill a sense of imagination and creativity among children of different age groups.

## Fully Responsive

We create high-quality toys keeping in mind the safety of the children as regulated by the Bureau of Indian Standards. We have happy-faced clients all over the country.
